*“THE LOVE OF CAPTURING THOSE SPECIAL MOMENTS
IN LIFE THAT LAST FOREVER”*

Hello and Welcome,
Terra Tribe offers children an outdoor nature connection program where children put down the screens and experience nature. Our program follows the Forest schoolings ethos and has many documented benefits for social, emotional and physical development. When given the opportunities children are very capable in managing their own risks and in a safe environment exploring those skills they can gain confidence and resilience.
Australian kids for so long were outdoor children, recently studies have shown by age 8 children spend on average 1 year in front of screens, and this increases as they get older.
We are looking at getting kids back outside.
Terra Tribe Farm is based in Howard but holds sessions all over the Fraser Coast from Maryborough to Bundaberg. Our philosophy is to get children outdoors but also bring in a variety of elements including sustainability, permaculture principles, growing food, environmental protection, confidence building and mindfulness.
Children gain confidence and self esteem through taking manageable risks, build community with fellow children and create a sense of ownership and belonging over nature and the outdoors.

We have a number of programs including Forest Kindy (2-7 years)(at Farm and On location), Homeschool Forest school (4-14years), School Excursions, After School Programs (5-14 Years, On Location), School Holiday Sessions (On Farm), Adult Workshops, and Permaculture Design Consults.

When your child attends our sessions, we want them experience all the great things nature has to offer climbing trees, jumping in the mud, searching for tadpoles, cooking on the fire, building shelters, tying knots, respecting flora and fauna, and most of all just having fun.

We cant wait for you and your children too join us at Terra Tribe.

SESSIONS

School Holiday Programs at Terra Tribe Farm Howard

Half Day

Our half day sessions have a primary focus, they run 9 am to 12pm or 1pm - 4 pm. Children have the option to participate or explore forest school, your children have access to a resource shed filled with ropes, nails, hammers, art materials, craft, paint, clay. Please pack morning tea or afternoon for your child as well as a water bottle. The hotter months the waterslide will be running, cooler months fire is always apart of our program. We will give the children the choice to visit the farm animals.

Full Day Sessions - FARM EXPERIENCE

This is our premium experience, your children will arrive and our first chore is feeding all the animals, cuddling included. Next we will let the children know what activities will be on offer.

We will have 2 activities per morning and afternoon sessions, these will include gathering the materials from the farms herbs or vegetable garden, we will have morning tea pre prepared but lunch and afternoon tea will be made by the children.

Approx 1 week before we will email out what we have planned, please let us know of any food allergies or restrictions, we can cater for any including gluten, dairy and vegans.

We will finish the day with games and packing up all our goodies to go home.

HOW TO GET HERE

We are located at 0 River road, Howard.
Unfortunately we dont show up on all maps, turn onto howard heights road off the highway and turn immediately left down the dirt road. Once you come to a T intersection turn right and you will arrive. If you turn left you will come to the weir, a local swimming hole with a rope swing.

When parking on the farm please park outside the gate as it is a saftey precasution we have taken for the children. Sometimes after heavy rain the front is very wet and boggy , We dont have the equipment to help you if you are bogged please try and park on hard ground.

Sometimes our sessions are held on Location upon booking an address will e given and then along with a reminder before that session.
